Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmitates contracted upon Service, commencing from the 25th June, 1814, with respect to Officers reduced at that date.

Both Rates of Half Pay are payable quarterly, without Deduction, at the Pay Office, Whitehall.

WAR OFFICE, 31st December, 1816.

Copies of several Circular Letters, &c. lately issued.—Published by Authority of the Secretary at War.

CIRCULAR, No. 343.

WAR-OFFICE, 18th November, 1816.

GREAT Inconvenience being occasioned by the frequent applications made by Regimental Agents, for Passes for persons not entitled thereto, under the Acts of the 51st Geo. III. c. 106, and 52d Geo. III. c. 120, I am directed to acquaint you, that these passes can only be granted to the Wives of Soldiers, who are, or the Widows of those, who were, serving abroad, and then only to such of those Wives, or Widows, as have recently returned from Foreign Stations, *having had permission to accompany their Husbands*, when they proceeded on Service. I am directed to add, that as Provisions has been made at the Out-Ports for furnishing Passes to the Soldiers' Wives and Widows, who arrive from abroad, and are entitled to them, the circumstance of a Woman's first soliciting a pass in London, of itself affords ground for the suspicion of fraud, and the Secretary at War therefore desires me to apprise you, that, in future, no applications for Passes for such Women will be attended to unless the same be accompanied by a statement, explaining when and where the Women landed in this country, and why they did not, in the regular way, solicit Passes at the places where they landed; as also in what manner, and when, they reached London; and at what dates and places they left the Regiments, to which their Husbands belonged.

I am, &c.

(Signed) R. BROWN.

I AM directed by the Secretary at War to acquaint you, for the information of the Officers of Regiments in your Agency, that the Fees heretofore taken upon Leaves of Absence for Officers of the Army, are abolished.

I am, &c.

CIRCULAR, No. 345.

WAR-OFFICE, 2d December, 1816.

IT being understood that Sums of Money, on account of Bounties to newly-enrolled Men for the Militia, which should properly have been remitted to the Paymasters of the Regiments to which the Men belonged, have, in some instances, been drawn for by other Officers of such Regiments, I am to desire, that you will call upon the several Officers of the Corps under your Command, to state, what Sums have been received by them, respectively, on the above account, and how the same have been disposed of; and, that, after having obtained the requisite information, you will furnish me with a Return, shewing the whole of the monies so drawn for, and, by whom they were received, as also, how they have been applied.

I have, &c.

MEMORANDUM.

WAR-OFFICE, 7th December, 1816.

His Royal Highness the Prince Regent has been pleased, in the name and on the behalf of His Majesty, to approve of permission being granted to the 25th Regiment to bear on its Colours and Appointments, in addition to any other badges or devices which may have been heretofore granted to the Regiment, the word "VITTORIA," in commemoration of the distinguished gallantry displayed by that Regiment in the Action at Vittoria on the 21st June, 1813.

His Royal Highness has also been pleased to approve of the Regiment of Royal York Rangers being permitted to bear on its colours and appointments the words "Martinique" and "Guadaloupe," in consequence of the distinguished gallantry displayed by that Regiment in the descent upon the Island of Martinique on the 8th February, 1808, and in the attack on the Island of Guadaloupe, on the 3d February, 1810.

MEMORANDUM.—PRIZE MONEY.

NOTICE is given in the London Gazette of the 26th November, 1816, that the unclaimed Prize Money due to the Army serving in Portugal, Spain, and France, under the command of Field Marshal His Grace the Duke of Wellington, will commence Paying at the Deputy Treasurer's Office, Royal Hospital, Chelsea, on the 30th December, 1816, to the General Staff, Royal Artillery, Royal Engineers, Cavalry, Foot Guards, and to the 30th Regiment of Foot inclusive; and on the 15th February, 1817, to Regiments numbered from the 31st to the 82d inclusive; and on the 24th March following to all other Corps, &c. concerned.

N. B. Mondays, Wednesdays, and Fridays, are the days appointed for payment, between the hours of two and three.

MEMORANDUM.

Relative to the forwarding of Baggage and Stores from England to the Army in France.

IN conformity with the 7th Article of the Military Convention annexed to the Treaty of the 30th November, 1815, the introduction into France of all Clothing, Equipments, and other Effects coming within the meaning of that Article, must have the previous sanction of Field Marshal the Duke of Wellington; and these can only be admitted, free of duty, in consequence of an application made on the part of His Grace to the French Government.

The following is the mode of proceeding to be observed in regard to all Articles coming from England for the use of the British Troops, whether these are Public Stores,—the Annual Supply of Clothing for Regiments,—occasional supplies of Necessaries for the Soldiers,—or the Private Baggage, and Effects of Officers, or of other individuals actually belonging to this Army:—

1st. The application made for the introduction of the articles is to be addressed to the Quarter-Master-General; and such application must come, for Public Stores, from the Head of the Department concerned;—for Regimental Clothing, or for Necessaries for the Soldiers, from the Commanding Officer of the Regiment;—and for the Private Baggage or Effects of Officers, or other individuals, from the Officers or individuals themselves; supported, however, by the approval of their Commanding Officer, or of the Head of the Department they belong to.

2. Triplicate Returns, specifying the nature of the articles to be brought out, must accompany all applications:—These Returns should specify distinctly the nature of the articles, the number of cases, bales, or packages, and the address and distinguishing marks or numbers on each of them:—One of these Returns is sent by the Quarter-Master-General here, to the Quarter-Master-General of the Forces in England, with the notification of the Duke of Wellington's sanction having been given for the bringing into France, free of duty, of the articles mentioned; and a request is made that the Seal of the Quarter-Master-General's Department may be affixed, in England, to the packages; the Agreement made with the French Government requiring that formality. When information is received from England, that the Seal of the Quarter-Master-General's Department will be affixed to the packages in question, application is made to the Director-General of the French Douanes, to order the Custom House Officers at Calais to pass the articles free of duty; and one of the Triplicate Returns is transmitted to the Director-General of the Douanes, to afford the means of identifying the boxes, bales, or packages, when they arrive at the French Custom House;—the third Return goes to the Assistant Quarter-Master-General stationed at Calais for the like purpose. In the case of Wearing Apparel, it may be sufficient to mention generally, the nature of the contents of each package, without specifying in detail all the particular articles.

3d. At the same time that application is made, as above directed, to the Quarter-Master-General here, the person applying must apprise his Regimental Agent, or whoever is employed to forward the articles from England, that they must address themselves to the Quarter-Master-General's Office, at the Horse Guards, to have the Seal of the Department affixed to the articles, either in London or at Dover, by the Assistant Quarter-Master-General, who is stationed there. To the person applying in England, however, a Return must have been transmitted, corresponding with the Triplicate Returns given in to the Quarter-Master-General here, and bearing the same signatures; and on addressing himself at the Horse Guards, he will produce that Return; and on its being found to agree with the one transmitted to the Quarter-Master-General of the Forces, by the Quarter-Master-General of this Army, the Seal of the Department will be affixed to the Articles.

4th. The Returns of the articles must always mention the name of the person who will make the application in England, to have the Quarter-Master-General's Seal affixed to the Articles.

5th. In the case of Baggage, or other articles, which are to come from a Public Store, or Depot, the particular Depot should be mentioned.

(Signed)

G. MURRAY.

Cambray, 1st November, 1816.

Additional Paragraph to the Memorandum of the 1st November, 1816, to come in at the end of Article 3.

It may happen that the distinguishing marks or numbers on the cases, bales, or packages, cannot always be exactly given in the Returns sent into the Quarter-Master-General here; but when that cannot be done here, they must, at all events be given correctly by the person applying in England, to the Quarter-Master-General of the Forces.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trains for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, in special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, commencing from the 25th June, 1814, with respect to Officers reduced at that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

MEMORANDUM.

WAR-OFFICE, 4th January, 1817.

HIS Royal Highness the Prince Regent has been pleased, in the same and on the behalf of His Majesty, to grant permission to the 51st Regiment of Light Infantry to bear on its Colours and Appointments, in addition to any other badges or devices which may have been heretofore granted to the Regiment, the words "VITTORIA" and "NIVELLE," in commemoration of the services of the Regiment at Vittoria on the 21st June, 1813, and at Nivelle in November, 1813.

MEMORANDUM.

Notice is given in the Gazette of the 15th January, 1817, that the Allowance to General Officers, not being Colonels of Regiments, as well as the Pensions granted to Officers who have sustained Injury in the Service, due on the 24th December last, are now in the course of payment at the Army Pay Office, Whitehall.

MEMORANDUM.

Relative to the forwarding of Baggage and Stores from England to the Army in France.

IN conformity with the 7th Article of the Military Convention annexed to the Treaty of the 30th November, 1815, the introduction into France of all Clothing, Equipments, and other Effects coming within the meaning of that Article, must have the previous sanction of Field Marshal the Duke of Wellington; and these can only be admitted, free of duty, in consequence of an application made on the part of His Grace to the French Government.

The following is the mode of proceeding to be observed in regard to all Articles coming from England for the use of the British Troops, whether these are Public Stores,—the Annual Supply of Clothing for Regiments,—occasional supplies of Necessaries for the Soldiers,—or the Private Baggage, and Effects of Officers, or of other individuals actually belonging to this Army:—

1st. The application made for the introduction of the articles is to be addressed to the Quarter-Master-General; and such application must come, for Public Stores, from the Head of the Department concerned;—for Regimental Clothing, or for Necessaries for the Soldiers, from the Commanding Officer of the Regiment;—and for the Private Baggage or Effects of

Officers, or other individuals, from the Officers or individuals themselves; supported, however, by the approval of their Commanding Officer, or of the Head of the Department they belong to.

2. Triplicate Returns, specifying the nature of the articles to be brought out, must accompany all applications:—These Returns should specify distinctly the nature of the articles, the number of cases, bales, or packages, and the address and distinguishing marks or numbers on each of them:—One of these Returns is sent by the Quarter-Master-General here, to the Quarter-Master-General of the Forces in England, with the notification of the Duke of Wellington's sanction having been given for the bringing into France, free of duty, of the articles mentioned; and a request is made that the Seal of the Quarter-Master-General's Department may be affixed, in England, to the packages; the Agreement made with the French Government requiring that formality. When information is received from England, that the Seal of the Quarter-Master-General's Department will be affixed to the packages in question, application is made to the Director-General of the French Douanes, to order the Custom House Officers at Calais to pass the articles free of duty; and one of the Triplicate Returns is transmitted to the Director-General of the Douanes, to afford the means of identifying the boxes, bales, or packages, when they arrive at the French Custom House;—the third Return goes to the Assistant Quarter-Master-General stationed at Calais for the like purpose. In the case of Wearing Apparel, it may be sufficient to mention generally, the nature of the contents of each package, without specifying in detail all the particular articles.

3d. At the same time that application is made, as above directed, to the Quarter-Master-General here, the person applying must apprise his Regimental Agent, or whoever is employed to forward the articles from England, that they must address themselves to the Quarter-Master-General's Office, at the Horse Guards, to have the Seal of the Department affixed to the articles, either in London or at Dover, by the Assistant Quarter-Master-General, who is stationed there. To the person applying in England, however, a Return must have been transmitted, corresponding with the Triplicate Returns given in to the Quarter-Master-General here, and bearing the same signatures; and on addressing himself at the Horse Guards, he will produce that Return; and on its being found to agree with the one transmitted to the Quarter-Master-General of the Forces, by the Quarter-Master-General of this Army, the Seal of the Department will be affixed to the Articles.

4th. The Returns of the articles must always mention the name of the person who will make the application in England, to have the Quarter-Master-General's Seal affixed to the Articles.

5th. In the case of Baggage, or other articles, which are to come from a Public Store, or Depot, the particular Depot should be mentioned.

(Signed)

G. MURRAY.

Cambray, 1st November, 1816.

Additional Paragraph to the Memorandum of the 1st November, 1816, to come in at the end of Article 3.

It may happen that the distinguishing marks or numbers on the cases, bales, or packages, cannot always be exactly given in the Returns sent into the Quarter-Master-General here; but when that cannot be done here, they must, at all events be given correctly by the person applying in England, to the Quarter-Master-General of the Forces.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, commencing from the 25th June, 1814, with respect to Officers reduced at that date.

Both Rates of Half Pay are payable quarterly, without Deduction, at the Pay Office, Whitehall.

GENERAL ORDER.—No. 327.

HORSE GUARDS, 22d January, 1817.

IT having been found, that the Provisions of the Act of Parliament for allowing Soldiers to send, and receive, Letters at a low rate of Postage, are not perfectly understood, His Royal Highness the Commander-in-Chief has been pleased to direct that the following Instructions, which are founded upon the Act of Parliament,* shall be communicated to the Army:—

Letters from Soldiers.—Upon all single Letters sent from Soldiers, the Name of the Soldier, his Rank, (that is, whether Serjeant, Corporal, Trumpeter, Drummer, Fifer, or Private,) and the Regiment, Corps, or Detachment, to which he belongs, are to be superscribed.

All such single Letters are to be endorsed by the Officer in the actual command of the Regiment, Corps, or Detachment; his Name, Rank, and the Regiment, Corps, or Detachment, commanded by him, are to be written in his own hand writing.

It is to be understood, that this indulgence is limited to single Letters.

One Penny must be paid at the time the Letter is put into a Post-Office, or such Letter will be liable to the full Rate of Postage.

The Act of Parliament above alluded to, directs, "That if any Officer having the Command of a Regiment, Corps, or Detachment, shall, wilfully, write his name upon any Letter, that is not from such Soldier, and upon his private concerns only, such Commanding Officer shall forfeit and pay the Sum of Five Pounds."

"That a similar Penalty shall attach to any Person, who shall (with an intent to evade the full rate of Postage) obtain the Signature of the Officer Commanding to Letters not on the private concerns of Soldiers."

"Further, That if any Officer not having at the time the command of the Regiment, Corps, or Detachment, shall write his name upon a Soldier's Letter, he shall forfeit and pay the Sum of Five Pounds."

Letters to Soldiers.—In all cases of single Letters addressed to Soldiers, the Rank, (that is, whether Serjeant, Corporal, Trumpeter, Drummer, Fifer, or Private,) and the Regiment, Corps, or Detachment, to which they belong, must be specified.

One Penny is to be paid by the writer, or other Person, on putting the Letter into a Post-Office:—The Letter will otherwise be liable to the full Rate of Postage.

The Letter cannot be delivered to any Person except the Soldier to whom such Letter is addressed, or to some Person appointed to receive the same, by an authority in writing under the hand of the Officer having the command of the Regiment, Corps, or Detachment, to which such Soldier belongs.

The Act of Parliament further directs, "That if any person shall address Letters to Soldiers, which are intended for other Persons, such Person shall forfeit and pay the Sum of Five Pounds."

The Commander in Chief is desirous that Soldiers shall have the full benefit intended by the Legislature, but in order to guard against any abuse of this Privilege, His Royal Highness feels it necessary to repeat what was declared in the General Orders of the 28th February, 1814, and 14th June, 1814: viz.

"That the indulgence of the conveyance of Letters to Non-commissioned Officers, and Soldiers, free of expense, is applicable exclusively to Letters designed for the Persons to whom they are addressed, and that no explanation which may be offered for an abuse of this Privilege, which is attached exclusively to the said Non-commissioned Officers and Soldiers, will be deemed satisfactory, or will, in the smallest degree, exculpate any Officer, who may directly or indirectly, aid, or connive at, such deviation from the true intention and spirit in which this Boon to Soldiers has been granted."

And

"That any Non-commissioned Officer or Soldier, who shall present to his Officer a Letter to be rendered free of Postage, which is not bona fide his own, will be guilty of a Fraud, and a breach of discipline, for which it is His Royal Highness's express Command, that every Offender shall be tried, and no alleviation of whatever Punishment may be awarded, must be expected."

By Command of His Royal Highness
The Commander in Chief.

HARRY CALVERT,
Adjutant General.

WAR-OFFICE, 4th February, 1817.

SIR,

IT having lately been thought proper to direct, that before any New Clothing should be provided for the Regular Army, the Clothing in the Public Stores should be taken by the several Colonels, and applied to the use of their respective Regiments; and it being deemed expedient, that the same principle should be adopted in the case of the Disembodied Militia; I have the honour to acquaint you therewith, and to request that when New Clothing may be due to the Serjeants, Corporals, and Drummers of the permanent Staff of your Regiment, you will, in the first instance, have recourse to the Regimental Stores for such Articles contained therein as can be rendered applicable to this Service; and that you will transmit to this Office a Return of any Articles, which cannot be furnished from those Stores, when Instructions will be given to the Storekeeper General to provide the necessary Supplies. I am to add, that if any of the Articles taken from your own Stores, or supplied by the Storekeeper General, should require alteration, the necessary expense thereof will be reimbursed to you, under directions from this Office.

I have, &c.

MEMORANDUM.

Notice is given in the Gazette of the 16th January, 1817, that the Allowance to General Officers, not being Colonels of Regiments, as well as the Pensions granted to Officers who have sustained injury in the Service, due on the 24th December last, are now in the course of payment at the Army Pay Office, Whitehall.

MEMORANDUM.

Relative to the forwarding of Baggage and Stores from England to the Army in France.

IN conformity with the 7th Article of the Military Convention annexed to the Treaty of the 20th November, 1813, the introduction into France of all Clothing, Equipments, and other Effects coming within the meaning of that Article, must have the previous sanction of Field Marshal the Duke of Wellington; and these can only be admitted, free of duty, in consequence of an application made on the part of His Grace to the French Government.

The following is the mode of proceeding to be observed in regard to all Articles coming from England for the use of the British Troops, whether these are Public Stores,—the Annual Supply of Clothing for Regiments,—occasional supplies of Necessaries for the Soldiers,—or the Private Baggage, and Effects of Officers, or of other individuals actually belonging to this Army:—

1st. The application made for the introduction of the articles is to be addressed to the Quarter-Master-General; and such application must come, for Public Stores, from the Head of the Department concerned;—for Regimental Clothing, or for Necessaries for the Soldiers

from the Commanding Officer of the Regiment;—and for the Private Baggage or Effects of Officers, or other individuals, from the Officers or individuals themselves; supported, however, by the approval of their Commanding Officer, or of the Head of the Department they belong to.

2. Triplicate Returns, specifying the nature of the articles to be brought out, must accompany all applications:—These Returns should specify distinctly the nature of the articles, the number of cases, bales, or packages, and the address and distinguishing marks or numbers on each of them:—One of these Returns is sent by the Quarter-Master-General here, to the Quarter-Master-General of the Forces in England, with the notification of the Duke of Wellington's sanction having been given for the bringing into France, free of duty, of the articles mentioned; and a request is made that the Seal of the Quarter-Master-General's Department may be affixed, in England, to the packages; the Agreement made with the French Government requiring that formality. When information is received from England, that the Seal of the Quarter-Master-General's Department will be affixed to the packages in question, application is made to the Director-General of the French Douanes, to order the Custom House Officers at Calais to pass the articles free of duty; and one of the Triplicate Returns is transmitted to the Director-General of the Douanes, to afford the means of identifying the boxes, bales, or packages, when they arrive at the French Custom House;—the third Return goes to the Assistant Quarter-Master-General stationed at Calais for the like purpose. In the case of Wearing Apparel, it may be sufficient to mention generally, the nature of the contents of each package, without specifying in detail all the particular articles.

3d. At the same time that application is made, as above directed, to the Quarter-Master-General here, the person applying must apprise his Regimental Agent, or whoever is employed to forward the articles from England, that they must address themselves to the Quarter-Master-General's Office, at the Horse Guards, to have the Seal of the Department affixed to the articles, either in London or at Dover, by the Assistant Quarter-Master-General, who is stationed there. To the person applying in England, however, a Return must have been transmitted, corresponding with the Triplicate Returns given in to the Quarter-Master-General here, and bearing the same signatures; and on addressing himself at the Horse Guards, he will produce that Return; and on its being found to agree with the one transmitted to the Quarter-Master-General of the Forces, by the Quarter-Master-General of this Army, the Seal of the Department will be affixed to the Articles.

4th. The Returns of the articles must always mention the name of the person who will make the application in England, to have the Quarter-Master-General's Seal affixed to the Articles.

5th. In the case of Baggage, or other articles, which are to come from a Public Store, or Depot, the particular Depot should be mentioned.

(Signed)

G. MURRAY.

Cambray, 1st November, 1816.

Additional Paragraph to the Memorandum of the 1st November, 1816, to come in at the end of Article 3.

It may happen that the distinguishing marks or numbers on the cases, bales, or packages, cannot always be exactly given in the Returns sent into the Quarter-Master-General here; but when that cannot be done here, they must, at all events be given correctly by the person applying in England, to the Quarter-Master-General of the Forces.

In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.)

GENERAL ORDER.—No. 327.

HORSE GUARDS, 22d January, 1817.

IT having been found, that the Provisions of the Act of Parliament for allowing Soldiers to send, and receive, Letters at a low rate of Postage, are not perfectly understood, His Royal Highness the Commander-in-Chief has been pleased to direct that the following Instructions, which are founded upon the Act of Parliament,* shall be communicated to the Army:—

Letters from Soldiers.—Upon all single Letters sent from Soldiers, the Name of the Soldier, his Rank, (that is, whether Serjeant, Corporal, Trumpeter, Drummer, Fifer, or Private,) and the Regiment, Corps, or Detachment, to which he belongs, are to be superscribed.

All such single Letters are to be endorsed by the Officer in the actual command of the Regiment, Corps, or Detachment; his Name, Rank, and the Regiment, Corps, or Detachment, commanded by him, are to be written in his own hand writing.

It is to be understood, that this indulgence is limited to single Letters.

One Penny must be paid at the time the Letter is put into a Post-Office, or such Letter will be liable to the full Rate of Postage.

The Act of Parliament above alluded to, directs, "That if any Officer having the Command of a Regiment, Corps, or Detachment, shall, wilfully, write his name upon any Letter, that is not from such Soldier, and upon his private concerns only, such Commanding Officer shall forfeit and pay the Sum of Five Pounds."

"That a similar Penalty shall attach to any Person, who shall (with an intent to evade the full rate of Postage) obtain the Signature of the Officer Commanding to Letters not on the private concerns of Soldiers."

"Further, That if any Officer not having at the time the command of the Regiment, Corps, or Detachment, shall write his name upon a Soldier's Letter, he shall forfeit and pay the Sum of Five Pounds."

Letters to Soldiers.—In all cases of single Letters addressed to Soldiers, the Rank, (that is, whether Serjeant, Corporal, Trumpeter, Drummer, Fifer, or Private,) and the Regiment, Corps, or Detachment, to which they belong, must be specified.

One Penny is to be paid by the writer, or other Person, on putting the Letter into a Post-Office:—The Letter will otherwise be liable to the full Rate of Postage.

The Letter cannot be delivered to any Person except the Soldier to whom such Letter is addressed, or to some Person appointed to receive the same, by an authority in writing under the hand of the Officer having the command of the Regiment, Corps, or Detachment, to which such Soldier belongs.

The Act of Parliament further directs, "That if any person shall address Letters to Soldiers, which are intended for other Persons, such Person shall forfeit and pay the Sum of Five Pounds."

The Commander in Chief is desirous that Soldiers shall have the full benefit intended by the Legislature, but in order to guard against any abuse of this Privilege, His Royal Highness feels it necessary to repeat what was declared in the General Orders of the 28th February, 1814, and 14th June, 1814: viz.

"That the indulgence of the conveyance of Letters to Non-commissioned Officers, and Soldiers, free of expense, is applicable exclusively to Letters designed for the Persons to whom they are addressed, and that no explanation which may be offered for an abuse of this Privilege, which is attached exclusively to the said Non-commissioned Officers and Soldiers, will be deemed satisfactory, or will, in the smallest degree, exculpate any Officer, who may directly or indirectly, aid, or connive at, such deviation from the true intention and spirit in which this Boon to Soldiers has been granted."

And

"That any Non-commissioned Officer or Soldier, who shall present to his Officer a Letter to be rendered Free of Postage, which is not bona fide his own, will be guilty of a Fraud, and a breach of discipline, for which it is His Royal Highness's express Command, that every Offender shall be tried, and no alleviation of whatever Punishment may be awarded, must be expected."

By Command of His Royal Highness
The Commander in Chief.

HARRY CALVERT,
Adjutant General.

SIR,

A QUESTION having arisen as to the means by which forge-carts and harness furnished by the Royal Waggon Train to the Regiments of Cavalry should be kept in repair, I have the honour to acquaint you, that the necessary expense of the repairs of the said forge-carts and harness is to be defrayed out of the allowance for farriery; which at present is fixed at one penny per diem for each troop horse.

WAR-OFFICE, 18th March, 1817.

SIR,

IT having been determined by the Lords Commissioners of His Majesty's Treasury, that the option of receiving pay abroad or at home, which has occasionally been exercised by Staff and Garrison Officers on foreign stations, shall not be allowed in any case whatever after the 24th of December last; I have the honour to signify to you the Prince Regent's pleasure, in the name and on the behalf of His Majesty, that the pay of all Staff and Garrison Officers, actually serving abroad, shall from that day be issued from the Military Chest upon the station.

You will accordingly be pleased to make this Regulation known to the several Officers concerned, with as little delay as possible: and at the same time to apprise them, that the only cases in which the pay of Staff or Garrison Officers belonging to foreign stations, are in future to be issued in this country, will be when Officers are at home on leave, or embark from this country to proceed to their stations abroad.

SIR,

I AM directed by the Secretary at War to desire, that, when you shall have received the decisions of this Department, upon your Quarterly Accounts to the 24th December, 1816, you will not fail to deduct, from the General State of the next Pay List which you shall make up, the precise amount of any disallowances, on the whole of your Accounts for that year, which may not previously have been credited by you; and you will, in future, be careful to deduct, invariably, the precise amount of disallowances, shown by the decisions of this Department, from the next Pay List which you shall render after the receipt of such decisions.

It is the determination of the Secretary at War, to suspend from pay and allowances any Paymaster who shall neglect to comply with this direction; but you will, at the same time, distinctly understand, that you will not, in conforming thereto, be precluded from producing further vouchers, or offering further explanations in regard to the charges disallowed; and such of them as you may be enabled to substantiate will be admitted in the Current Accounts, under special authorities.

SIR,

THE Paymasters of Regiments stationed in the Peninsula during the years 1811, 1812, 1813, and part of 1814, having been directed to charge the pay of men sent home invalided, to the 21th of the month in which they embarked, remitting at the same time to the Regimental Agents the balances due to the said men, I am directed by the Secretary at War to desire that you will transmit to this Department, with as little delay as possible, a Statement, made out regimentally, of balances, received by you on account of the Regiments so situated during the above period.

The amount received on account of each man is to be specified, stating the instances in which the same has been paid to the individual, or in what other manner it has been subsequently accounted for; and no further payment is to be made by you to men claiming these balances, without your first obtaining a special authority from this Department for that purpose.

You will be pleased to acknowledge the receipt of this Letter, and state the several Battalions and the periods for which you will have to render the required Statements; reporting, at the same time, how soon they can be furnished.

RECRUITING DEPARTMENT.

MEMORANDUM.

THE Commander in Chief has directed that Officers in Command of Regiments and Depots of Cavalry and Infantry shall be apprized, that so long as the Effectives of the Corps exceed the establishment, men engaged for a limited period of service, are not to be re-engisted, but are to be discharged upon completing the terms of their respective engagements.

In the case, however, of men whom it may be particularly desirable to retain, and who are willing to re-engage upon such conditions, His Royal Highness will approve of their re-enlistment without bounty, in the room of an equal number of the most ineligible men of the corps who are to be discharged.

When the Effectives of a Regiment are below its establishment, men engaged for a limited period may, of course, be re-enlisted under the existing Regulations, if perfectly fit for active service.

By Command of His Royal Highness the Commander in Chief.
